

MEETING RECORDING POLICY

NAMB policy is that no meeting, whether in person, virtual, or via electronic means can be transcribed (other than minutes taken by staff) or recorded in audio, video, or written format, whether by cell phone, computer, or other means. Minutes of meetings shall contain a record of reports, motions, and actions taken at the meetings. Minutes are not a record of statements or opinions expressed during the meetings. Violators will be asked to leave the meeting and may be barred from attending future NAMB events.
